CLASSIC & TIMELESS

The Model 81 provides a rich dramatic focal point with a full view of the flames. The Model 81 is an outstanding choice for larger home heating requirements. This unit exceeds expectations in form and function. Standard features include durable non-catalytic technology, factory installed variable speed blower, ash removal tray and a glass door with an air wash system. (gold or pewter bay windows sold separately)

The Model 81 is available as a freestanding stove or as an insert for your masonry fireplace with a heating capacity of 1,600
